MUHAMMAD ﷺ
SEAL OF THE PROPHETS

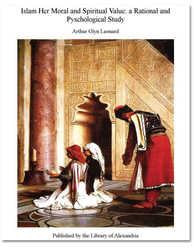
Views of Non-Muslims

Alphonse de Lamartine

"Philosopher, orator, apostle, legislator, warrior, conqueror of ideas, restorer of rational dogmas, the founder of twenty terrestrial empires and of one spiritual empire, that is Muhammad. As regards all standards by which human greatness may be measured, we may ask, is there any man greater than he?" *(History of Turkey)*

"If greatness of purpose, smallness of means, and astonishing results are the three criteria of a human genius, who could dare compare any great man in history with Muhammad?" *(History of Turkey)*

Arthur Glyn Leonard



"If ever any man on this earth has found God; if ever any man has devoted his life for the sake of God with a pure and holy zeal then, without doubt, and most certainly that man was the Holy Prophet of Arabia." *(Islam Her Moral and Spiritual Value: a Rational and Pyschological Study)*

"It was the genius of Muhammad, the spirit that he breathed into the Arabs through the soul of Islam that exalted them. That raised them out of the lethargy and low level of tribal stagnation up to the high watermark of national unity and empire. It was in the sublimity of Muhammad's deism, the simplicity, the sobriety and purity it inculcated the fidelity of its founder to his own tenets, that acted on their moral and intellectual fiber with all the magnetism of true inspiration." *(Islam Her Moral and Spiritual Value: a Rational and Pyschological Study)*
