BUT HERE'S THE TWIST

The right to divorce was already codified and legally protected **by the year 632 AD.**

By Holy Prophet Muhammad (PBUH)

“

HAZRAT MIRZA GHULAM AHMAD, THE PROMISED MESSIAH
(PEACE BE UPON HIM) WRITES:

“The Holy Qur'an enjoins that if man has given his wife a mountain of gold as a gesture of his affection and kindness, he is not supposed to take it back in case of divorce. This shows the respect and honour Islam gives to a woman; in fact, men are in certain respects like their servants.”
