

THE HOLY QURAN

THE FINAL REVELATION

The Holy Quran is not just a book. It is the living, breathing voice of God — revealed to the Holy Prophet Muhammad (SA) over 23 years.

"Surely it is We Who have sent down this Exhortation, and most surely We are its guardians."

—Surah Al-Hijr, 15:10

No edits. No rewrites. No contradictions. Just preserved truth.

A BOOK THAT LIT THE WORLD

The Quran ignited a thirst for truth and knowledge. It created pioneers in medicine, astronomy, philosophy, mathematics — all driven by a divine call to seek, think, and reflect. Rev. B. Margoliouth admitted: "The power that created in Muslims a ravenous appetite for knowledge sprung from the Quran."

"I HAVE MUCH MORE TO SAY TO YOU..."

Jesus (peace be upon him) once said: "I have much more to say to you, more than you can now bear. But when he, the Spirit of truth, comes, he will guide you into all the truth."

—John 16:12–13

He was speaking of a prophet who would bring the final and complete guidance — the Holy Prophet Muhammad (SA). The Quran is that guidance. It is the fulfillment of divine prophecy, the answer to humanity's deepest questions.

*(sa) is an honorific used after the name of the Holy Prophet Muhammad, meaning "peace and blessings of Allah be upon him."

"I will put My words in his mouth, and he shall speak to them all that I command him."

—Deuteronomy 18:18

WHAT IS THE QURAN?

The Holy Quran is a collection of divine revelations sent to Prophet Muhammad (SA), in Arabic, over 23 years. It is the holy book of Islam — a complete spiritual, moral, and social blueprint for life.

STRUGGLING WITH DEPRESSION?

"It is only in the remembrance of Allah that hearts can find comfort."

—Surah Ar-Ra'd, 13:29

BATTLING ADDICTION? SEARCHING FOR PEACE? FEELING LOST?

The Quran offers clarity, purpose, and healing — for the mind and the soul.

THE OPENING CHAPTER: A PRAYER FOR ALL TIME

Surah Al-Fatiha — The Opening — is recited by Muslims around the world daily: "Guide us in the right path — the path of those on whom You have bestowed Your blessings..."

It's a universal prayer for truth, mercy, and spiritual awakening.

Have you ever wondered what Jesus meant when he spoke of someone yet to come? What the "seven thunders" in Revelation symbolized? What ancient prophets pointed to, but never saw fulfilled? The Quran is that fulfillment.

It's not just a book for Muslims — it's a message for humanity.

"THERE IS PROBABLY IN THE WORLD NO
OTHER WORK WHICH HAS REMAINED
TWELVE CENTURIES WITH SO PURE A TEXT."
