WHO IS GOD?

THE SEARCH FOR A LIVING GOD HAS NEVER BEEN MORE RELEVANT...

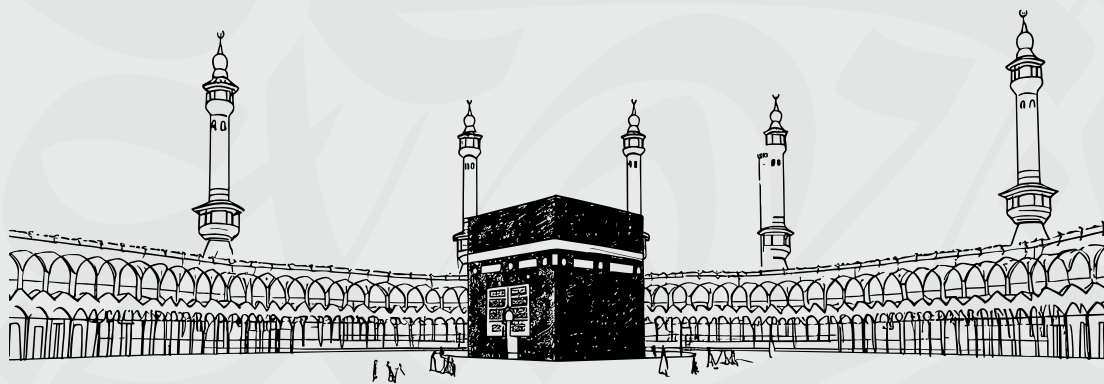

"He is Allah, and there is no God beside Him, the Knower of the unseen and the seen. He is the Gracious, the Merciful.

He is Allah, and there is no God beside Him, the Sovereign, the Holy One, the Source of Peace, the Bestower of Security, the Protector, the Mighty, the Subduer, the Exalted. Holy is Allah far above that which they associate with Him.

He is Allah, the Creator, the Maker, the Fashioner. His are the most beautiful names. All that is in the heavens and the earth glorifies Him, and He is the Mighty, the Wise."

(Holy Quran 59: 23-25)

This complete understanding of God has developed over the course of human history and is in its complete and flawless form in the religion of Islam.

Islam is not a new religion, rather it brings together the best of all faiths, and alone bears witness to the veracity of every religion and claims that the truth is not the monopoly of only Islam.

"Say, 'We believe in Allah and that which has been revealed to us, and that which was revealed to Abraham and Ishmael and Isaac and Jacob and the tribes, and in that which was given to Moses and Jesus and other Prophets from their Lord. We make no distinction between any of them and to Him we submit.'"

(Holy Quran 3:85)

It is the only religion which claims to be, and is, the final, the universal and eternal religion for all times and for all peoples:

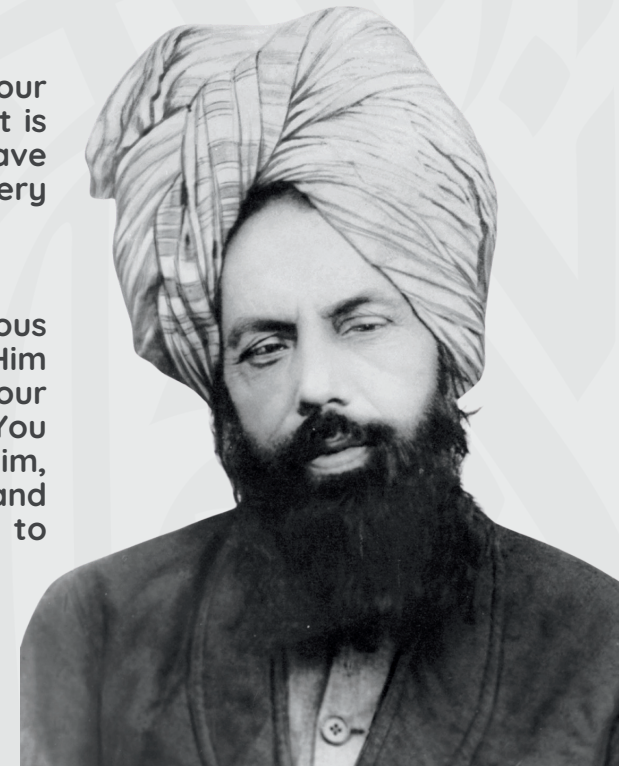

"This day have I perfected your religion for you and completed My favour upon you and have chosen for you Islam as religion."

(Holy Quran 5:4)

"Our paradise lies in our God. Our highest delight is in our God for we have seen Him and found every beauty in Him."

"God is a precious treasure; appreciate Him accordingly, for He is your Helper at every step. You are nothing without Him, nor do your resources and your schemes amount to anything."
