How should we treat the family next door?

CIRCLES OF KINDNESS

He told his companions to add water to the broth so there would be enough to share next door.

حق الجار

Neighbours and the Poor

“And worship Allah and associate naught with Him, and show kindness to parents, and to kindred, and orphans, and the needy, and to the neighbour that is a kinsman and the neighbour that is a stranger”

HOLY QURAN 4:37

NO ONE LEFT HUNGRY

The Holy Prophet (peace and blessings of God be upon him) said the angel Gabriel stressed the rights of neighbors so often that he thought neighbors would be given a share in inheritance. He taught that one who eats his fill while his neighbor goes hungry is not a true believer. He often went without so that the poor could eat, and Allah made zakat a pillar of Islam.

LESSON FOR TODAY

Know your neighbours, and make sure no one near you goes hungry
